To all my friends & citizens of Katano I would like to wish everyone a big hello.

There is not a day that goes by that I think about Katano.

The amount of good times I have had in Katano are far to numerous to mention them all.

I personally enjoy knowing that I have so many friends on the other side of the world

The hospitality shown to all of us from Collingwood when we return from Japan is the talk of the town for many weeks after.

All of us here in Collingwood wish for our friendship to continue for many more years

We can hardly wait for some of you to visit us here in Collingwood I hope that will be sooner than later.

In closing it is quite simple all of here in Collingwood are incredibly lucky to have such good friends in Katano

See you soon

Bob San
